### It's safe.

TeleDentistry is included in your existing coverage and is considered an oral examination under the plan. oFill out your e-documents

**Step 3:** Take photos of the problem area

**Step 4:** Connect with a TeleDentistry.com dentist and begin your consultation

TeleDentistry.com dentists provide initial consultation services and can write prescriptions when appropriate. You will be referred to a Delta Dental network dentist for definitive diagnosis and treatment.

### After the initial consultation –

The TeleDentistry.com dentist will email consultation notes to your Delta Dental network dentist for further treatment. If you have not established care with a Delta Dental network dentist, with your authorization, TeleDentistry.com will refer you to an in-network dentist.
