

## Library Instruction Sessions

**Information Literacy** is the set of integrated abilities encompassing the reflective discovery of information, the understanding of how information is produced and valued, and the use of information in creating new knowledge and ethically in communities of learning.

**One Shot Sessions**  
How to use/discover information with any of the search tools

Sessions into advanced searching techniques

### Advanced research skills

Specific databases

Evaluating information sources

Citations

Plagiarism... and more

### Orientation sessions

### Special topics

## Embedded Librarian

Want to partner with a librarian for more than just a one-shot library instruction session? **Embed a Librarian, partially, into your course.**

We can help you schedule a 30-minute session at designated times over the semester to go over components of the assignment, measure, aligned with when the students are working on the related assignment or step of the project.
