- 5) Discussion: how to frame final 6/30 UCC discussion (alternatives to SWOT that can help us capture this group's wisdom on *where* we are now, *what* work comes next, *where* we see challenges/opportunities as the Core moves into implementation phase).
- Desire for a discussion that captures:
 - Key turning points and granular qualities that created/develop the Core
 - How we operated weekly; what kept people coming back to the meetings despite the difficulty of the deliberation
 - What opportunities do we see, collectively, as the Core moves into its operationalization / implementation phase?
 - What threats / challenges do we see, collectively, as the Core moves into its operationalization / implementation phase?
 - UCC decides to use the framework of the Ignatian Examen to structure this discussion, to identify moments of illumination / grace or insight in our work, to explore critical moments of each person's UCC experience, and to n erience, a e, o xt n'í
